

SUSTAINING COMPANY  
MEMBERS DIRECTORY

**YOUR GUIDE TO THE UK'S FOREMOST  
CORROSION PROFESSIONALS**

**2024**

Directory Sponsor

## A word from the President

Welcome to the 2024 edition of the ICORR COMPANY MEMBERS DIRECTORY. The Institute of Corrosion is extremely grateful for the continuing sponsorship of all its Corporate and Sustaining Company Members, who have a special place at the heart of the Institute, underpinning our core mission to promote training and excellence in corrosion science and engineering. We extend a special welcome to our new Corporate Members - Jotun and Oceaneering, and many other Sustaining members joining or renewing with us over the past year.

Your support towards the expansion of our activities is very much appreciated. Thank you for your continued engagement with us.

**Stephen Tate, President, Institute of Corrosion**

## The benefits of becoming a sustaining member

The Institute of Corrosion is the largest community of corrosion professionals in the UK, with an increasing international presence. Becoming a member of the Institute unlocks access to cutting-edge knowledge and learning resources for your company and staff, opening doors to a growing global network of experts.

Apart from the prestige value and increased exposure for your company or organisation, Sustaining Company Membership offers enhanced marketing opportunities. Your company will join the growing number of influential companies in the corrosion protection industry, as well as showing your support for the premier Corrosion Institute.

## How membership can work for your company

As part of your membership, there is the opportunity to submit a free case study to appear in Corrosion Management magazine. In addition to the detailed listing in this Directory, there is a free up-to-date listing in every issue of the magazine, and a searchable list on the Institute website. You are entitled to nominate two staff members for free membership as Affiliates of the Institute, and you can use the ICorr logo on your company literature and marketing material. You will receive a free ICorr-crested Certificate of Sustaining Company Membership for public display in your offices, and benefit from reduced rates on advertising in the magazine.

## Joining couldn't be easier

There are two levels of membership, Sustaining Company Member and Gold Sustaining Company Member. Sustaining Company Membership costs £416 + VAT per year, and Gold Sustaining Company Membership is £806 + VAT per year. Gold Members can nominate three staff for free membership as Affiliates, as well as having a Gold Member icon in the various listings. To apply, just fill out the online form at [www.icorr.org](http://www.icorr.org)

**This directory will be published once a year and distributed to our 1600+ members with the January/February issue of Corrosion Management magazine. An up-to-date listing will be published separately in each issue of Corrosion Management, with a searchable listing also available on the Institute website.**
